

REGGIE DABBS

From small beginnings in 1987, Reggie Dabbs has become a popular public school speaker in the USA and in Australia. Reggie has spoken in over 500 schools across Australia including Sydney, Brisbane, Melbourne, Perth, Adelaide & Alice Springs.

When addressing a school assembly, Reggie talks to the kids in a humorous style about choices each of them has when faced with drugs, alcohol, suicide, etc. Reggie gets in kids faces and tells them that he never smoked a cigarette, never did drugs, never drank alcohol, **because he chose not to**. He assures them that they can make the same kinds of choices.

Reggie talks to students about the importance of family and how thankful they should be that they have families. He talks to them about making good choices, consequences, self esteem to name a few. Most of all, Reggie drives home the fact that "You can never change your past, but you can change your future!"

Reggie's life story from being an unwanted "Problem" to an unwed teenager will help challenge students to meet their problems head-on and overcome them and his visit will undoubtedly add to your schools existing strategies to help young people achieve the best in life.
